It is worthwhile to mention here the interim order No. 03 dtd. 21.03.2014 passed by the Hon'ble- OAT, Cuttack in OA No. 870(C)/2014 that "any appointment made against 50% posts reserved for Trained Graduate Teachers shall be subject to the result of the OA". The High Power Committee observed that the original cadre posts of TGT Teachers are mentioned exclusively in each district. Out of this original cadre posts, 50% are filled up by way of promotion from eligible Junior Grade Teachers and the remaining 50% by direct recruitment. The committee also observed that the contractual TGT Teacher posts that were created subsequently from the year 2006-07 are additional posts sanctioned by the Finance Deptt. The contractual posts are new position sanctioned besides the existing regular TGT posts in each district. Accordingly, if the services of the contractual TGT posts are regularised, these new regular posts will add up to the existing TGT posts and in no case will encroach the

promotional vacancies of Junior Grade Teachers. The HPC was categorically clear that the 50% promotional posts of TGT Teachers in the regular TGT cadre posts (meant for Junior Grade Teachers) are intact and the current regularisation of contractual TGT teachers are additional posts sanctioned.
